

One Hundred First Legislature - Second Session - 2010  
**Introducer's Statement of Intent**  
**LB 902**

---

**Chairperson:** Tim Gay  
**Committee:** Health and Human Services  
**Date of Hearing:** January 28, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The purpose of LB 902 is to ensure that consumers have all the information necessary to decide if assisted living facilities would be likely to meet and can continue to meet their needs.

LB 902 would establish a consumer disclosure process for assisted living facilities.

Under LB 902, the Department of Health and Human Services would create a standardized format for collecting information about the services provided by the assisted living facility, the charges for those services, the facility's participation in Medicaid, the circumstances that would lead to discharge from a facility and the process for developing and updating a resident services agreement.
